Morris County and the Township of Parsippany- Troy Hills are in the process of preparing the **2025-2029 Consolidated Plan and 2025 Annual Action Plan**. Morris County is also undertaking an Analysis of Impediments to Fair Housing Choice. The Consolidated Plan and the Annual Action Plan govern the activities to be funded with U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG), HOME investment Partnerships Program (HOME), and Emergency Solutions Grant (ESG) dollars for the five-year period beginning July 1, 2025. The County and Township receive an annual allocation from HUD of these entitlement funds, which are used to meet housing and community development needs of low- and moderate-income individuals and families. As key community stakeholders for the Morris County and Parsippany- Troy Hills Township community, we are seeking your participation in a series of virtual workshops scheduled for March 12-13, 2025.

Your participation in the Stakeholder Workshops is important to this process. As practitioners in your field, the County and Township want to obtain your feedback on the priority housing and community development needs for residents, and how CDBG, HOME, and ESG funds can best be used to meet these needs for the next five years.

Please plan to join us at one or more of the three **Stakeholder Workshops** scheduled for March 12-13, 2025.
