Chamberlain House

2024 \$16,160 Preservation Plan

Grant Recipient: Jefferson Township

Location: Jefferson Twp.

Located in the Township of Jefferson, the Chamberlain House was built in the 1870s in the Second Empire style. The house was occupied as a library from the 1960s until 1982, when it was acquired by the Township. It currently operates as a museum and headquarters for the Jefferson Township Historical Society.

The 2024 grant will assist with the completion of a Preservation Plan.
