

# Don't Let Ticks Take Over...

## *Tips and Techniques to prevent tick bites*

Morris County Division of Mosquito Control is excited to announce the return of the **Tick Safety** themed travelling display to our public education program. The display is available for use in government buildings.

### Promote tick safety to the public

- Tick avoidance strategies
- Tick Repellents
- Tick Checks
- Tick Removal

**2018** was a success!  
We travelled to **24**  
locations and had  
**191** visitor check-ins!

## *Our travelling display returns for 2019*

### How the display works...

The display is available for 1 week increments from April 8 - October. (Monday-Friday)

### Host Agency :

- Contact us for a date
- Designate a spot in the government building (library, senior center, municipal building, etc.)
- Help advertise through social media or other sources

### Morris County Division of Mosquito Control:

- Deliver and set up the display
- Includes display, table, tick related literature
- Pick up at the end of the week
